AMEND Senate Bill No. 1308

House Bill No. 1117*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-3-306(a)(1), is amended by adding the following language as a new subdivision:

(C) In the event that the general assembly approves any increase in state funding for salaries of licensed personnel, then the percentage by which the BEP instructional salary unit cost, as set by the general appropriations bill, is increased shall be applied to each step of the state salary schedule as established by the commissioner and approved by the state board. Nothing in this subdivision (a)(1)(C) shall restrict any LEA's authority to provide greater salary increases than those required by this subdivision (a)(1)(C) where such additional increases are paid out of local funds.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
